

Sermon Notes: August 26th, 2018

Gemstone: Death & Life

Colossians 3:1-4

Observations & Conclusions:

1. If you trust in Jesus, you are presently “_____”
2. If you trust in Jesus, _____ on Jesus and Jesus’ country
3. If you trust in Jesus, the old you has _____
4. If you trust in Jesus, your _____ is found in Christ
5. If you trust in Jesus, your promise is _____ with Jesus

Application:

1. Christianity is a serious thing. How serious are you about your faith?
2. What would need to be striped away so that you would long for Jesus above all?
3. Can you identify your “old self?”
4. How would you answer Paul’s conviction, “for to me, to live is Christ?”
5. Is there anything that keeps you from looking and longing for Christ to return?

*Turn you eyes upon Jesus
Look full in His wonderful face
And the things of earth will grow strangely dim
In the light of His glory and grace*
